

LOCATION MAP & DIRECTIONS

Hollywood Music is in Stony Stratford High Street, opposite the Fox N Hounds and a few doors from the famous Cock & Bull Hotel.

From the A5, A508 and A422, aim for the main Stony roundabout next to the Little Chef and Travel Lodge. Take the 'Old Stratford' exit and continue half a mile on the London Road though one set of lights, past the SAAB garage and over the canal.

Then after 50 metres you'll see a right filter junction, allowing you to turn right onto Stony Stratford High Street.

Once on the High street, after 500 metres you will see our shop on the left.

Parking is available all along the High Street, and to the side of the shop for equipment hire.
